

September, 2010

To all Whitnall Marching Falcon parents:

On behalf of the Whitnall Band Boosters, I would like to personally welcome you, to the Whitnall Marching Falcons 2010 season. The band has been busy, with summer camps, parades, and a football game performance already under their belt!

With that said, our first meeting of the year will be held **Wednesday, September 15, 2010** in the band room, and as the saying goes, "**WE NEED YOU**". Believe me, our goal is not to take up your entire evening for a meeting, or to overwhelm you each month. However, this band program is a busy one (which is a good thing), and I ask you to consider attending our monthly meetings as your schedule allows-usually the 1st Wednesday in each month. Your input means a lot to us. Please don't let the phrase "band parent" scare you – It's fun, and the kids are wonderful!

Each month we recap the band's activities, our treasurer's report, and offer opportunities to help. Mr. James also provides us with a "state of the band" ☺ At this month's meeting, we are accepting nominations for two "members at large" board positions- a great opportunity for first year parents, and updating our by-laws to reflect the recent change in payment of band fees to the school district. Some of these activities require a "quorum"-so the more parents in attendance, the better!

Visit our website at www.whitnall.com frequently. (High School – Activities/Clubs – Band Boosters). If you can't find what you are looking for, please contact any of your board members (also listed on our website), or Mr. James. Also, - this is important - if you have not been receiving any emails from us this summer (outside of not having an email account), please let us know.

Our next fundraiser is our annual car wash, on Saturday, September 11th at Wal-Mart in Greenfield (Hwy 100 near Layton). We need parent volunteers to help for a few hours, between 9am – 3pm. The marching band members practice in the parking lot – not something you see every day at Wal-Mart - and wash cars! It's a lot of fun and a great way to get your feet wet (okay, bad pun with the car wash ☺ Please contact volunteer coordinator Lisa Pook at 427-0186 to help.

The number one goal of this group is to have fun, while providing a great band experience for our kids. Help a little, help a lot, attend a few meetings, attend them all - whatever you can do, it is truly appreciated!. Thanks for your time, and we hope to see you on the 15th!

With Pride,

Tracy Wunrow -Whitnall Band Boosters President
