

Why should I enroll my child in 4 year old Kindergarten?

- ◆ Give your child a GREAT start in school
- ◆ Classes at both Edgerton Elementary and Hales Corners Elementary
- ◆ Licensed District Teachers
- ◆ AM and PM sessions available
- ◆ Caring environments that will nurture and educate your child
- ◆ Doors to Discovery Curriculum: New Places; New Faces; Vroom! Vroom!; Tabby Tiger's Diner; Build It Big!; Healthy Mei; Discovery Street; Our Water Wonderland; Backyard Detectives
- ◆ Matching theme based discovery centers.

Can I learn more? Can I tour the schools?

There will be a program overview on Tuesday, January 13th from 6:30-7:30pm in the District Board/Community Room. Building tours to be held on Friday, January 23rd at both schools by appointment. Sign-up on January 13th or by calling your resident school location.

For more information contact your area elementary school or the Whitnall Curriculum Office at (414) 525-8414.

Readiness Education)

4 Year Old Kindergarten School

How old does my child have to be to enroll?

Children need to be 4 years old by September 1st. There is no early testing or entrance.

When and where is the registration?

Registration for the 2009-10 school year will be on January 27, 2009 at 7pm at Whitnall School District Community Room, 5000 S 116th Street, Greenfield, WI. Please bring your child's original birth certificate and proof of residency (utility bill, tax bill or lease).

Will there be before or after school programs?

The YMCA program offers before and after school programs at both elementary schools prior to the start of the normal school day (before 8:40am) and at the end of the normal school day (after 3:20pm). Some local day care providers also provide transportation.

What time do classes run?

AM classes run from 8:40am—11:22 am.

PM classes run from 12:42pm—3:22pm.

K4 classes are not held on student half days.

Check the district calendar for these dates at www.whitnall.com.

Who will be teaching the classes?

All the 4 year old kindergarten teachers are licensed District teachers.

Which school will my child attend?

Children enroll in their attendance area school. Please call the District Curriculum Office at 525-8414 if unsure of attendance area school.

Will bussing be available?

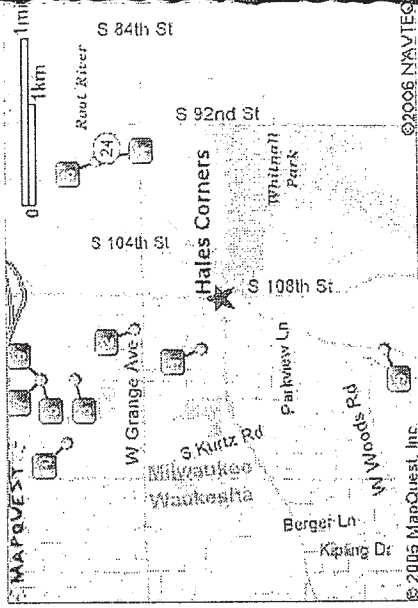

No, transportation is not provided to the CORE4 school sites.

How will classes be decided if I have a morning or afternoon preference?

A lottery will be established for each 4 year old kindergarten section. It is anticipated that more families may prefer the AM sessions than we can accommodate. To ensure fairness, family preferences will be honored based on a lottery selection for each school attendance area. The lottery will be held on February 16th and all registrations must be received by this date to be in the lottery.

What type of curriculum is offered? What will my child be learning? Will the curriculum be all play?

The 4 year old curriculum is Doors to Discovery which provides strong lessons in pre-reading, writing and math skills through learning themes specifically designed for the growing minds and emotions of 4 year olds. Through group lessons and a variety of learning centers that change during the year children begin to become more independent and excited about their own learning.
