

PTO MEETING TEACHER UPDATE

Thursday, September 6th, 2007

Reported by Amy Koenigs

- **THANK YOU** for the wonderful gift bags filled with goodies that were given to the classroom teachers. The staff was grateful for the delicious Welcome Back Breakfast buffet earlier this week as well. We are so fortunate to have such kind caring families at Edgerton.
- **Student Council**
Ms. Rosenberg, our EES Student Council Advisor, is excited about new activities/plans that are works in progress for this year. They are looking to have their first meeting in late September or early October.
- **First Day Treat**
Thank you for the Culver's frozen custard treat today. It was a cool yummy treat to celebrate the beginning of a new school year!
- **On behalf of the EES teachers, we look forward to another fabulous year working together!**
