

PTO MEETING TEACHER UPDATE

Thursday, October 4th, 2007

Reported by Amy Koenigs

- **Student Council**
The Student Council is up and running once again this year. The children who are the representative were chosen and they had their first Student Council meeting. We had our first School Spirit Day on Friday, September 28th—"Blue & Gold " Day in honor of Whitnall's Homecoming. We even were able to view the Homecoming Parade during the afternoon. It was fun to see many former Edgerton kids. For more Student Council news, please see our Edgerton Elementary School website.
- **Author Visit**
Barbara Joosse is visiting our school on Thursday October 18th. She will talk to the children about being a writer. There will be three programs for our students to attend. (K4-1,2-3 & 4-5) The children and teachers are looking forward to this fun event. There will be an evening book signing and presentation-- "How to Read to Your Child". A flyer was sent home regarding ordering books to be autographed by Ms. Joosse. More details about the evening program are forthcoming. Ms. Joosse will return to our school on April 23rd for a follow-up visit.
- "THANK YOU" for the wonderful Room Parent Tea earlier today. It is such a good time to share and plan for the fun holiday parties with our Edgerton families. We appreciate your willingness to do the little 'extras' to make these parties special for all the children of Edgerton.
- We are looking forward to our upcoming Open House next week, Thursday, October 11th from 6:30-7:30 PM. The children and teachers have been hard at work getting ready for this great annual family event! We hope to see you there!
