

## Farewell letters from Mrs. Schermerhorn's 5th Grade Class of 2008

One of my memories of HCE is going to Camp Whitcomb. I am going to miss going to camp and I am going to miss seeing my past teachers. I will miss just staying in one class. I will miss the smile on my teachers face when I walk in our classroom. *Dylan Kellner*

The thing I will miss the most is only being with one class. My favorite memory is being on the football team. I made a lot of friends from HCE and Edgerton. But I'm just gunna miss elementary school. *Austin Roaziczak*

I'm going to miss all of my past teachers including Mrs. Schermerhorn and Mr. Rogan, they've made it a blast. My most memorable field trip was Camp Whitcomb. Also, having the privilege of being in Whitnall Children's Theatre is very important to me. One of the many fun things I'm going to miss are the dances held in the gym. Probably the most hard of all, to let go is actually leaving a school that I've been in since Kindergarten. *Jenny Hartig*

The number one thing I will miss from HCE is having a Kindergarten buddy. My most favorite field trip was going to Camp Whitcomb. Coming to school on the first day and meeting new friends and teachers is always fun. I will miss the plays we do in music. The hardest thing of all will be leaving HCE after Six years here. *Elizabeth Kunkel*

One of my favorite things was going to Camp Whitcomb in 5<sup>th</sup> grade. We did lots of things at camp. I also liked the end of the month reward parties. My favorite class was gym in 3<sup>rd</sup> grade because we had a nice gym teacher. I also liked recess because they were long. *Max Anderer*

The things I'll miss the most at HCE is the wonderful things the PTO does for us like having authors come to our school and paying a little money so that our field trips can be less expensive, plus the way they raise the money for it is fun like the Ice Cream Social, Tailgate Tuesday and Movie Night. *James Menden*

I have many memories of HCE, like when I met my best friend in Kindergarten. One of my favorite memories is when I had afternoon football with Mr. Rogan in 4<sup>th</sup> grade. That was fun! I remember a time in 5<sup>th</sup> grade when I went to a play called The Watsons go to Birmingham- 1963. It was a really good play! In conclusion, I'm probably going to miss my teachers from Kindergarten to 5<sup>th</sup> grade because they were the best! *Bradley Krimmer*

My favorite part at HCE was when we went camping at Camp Whitcomb. As we go further back into my childhood, Kindergarten was a blast! We did so many activities. Buddies was considered bonding with older and younger children but I loved it either way. All though I did have troubles in 2<sup>nd</sup> grade, I knew I had to overcome them and that's exactly what I did. I am looking forward to 6<sup>th</sup> grade! *Alexander Bohn*

My favorite memory of HCE was the 1<sup>st</sup> day of school. When I was afraid of answering a question, Mrs. Schermerhorn embarrassed me by calling me "Honey" in front of the whole class! I will miss Mrs. Schermerhorn and every one else. Good Bye Hales Corners Elementary! *Shaneyya*

My favorite memories of HCE are when we went to Camp Whitcomb and at camp Whitcomb. Also, when I was in Kindergarten I had a fifth grade buddy. *Curtis Piek*

I will definitely miss having lunch with Mr. Rogan on Fridays. I will also miss all of the teachers. I have known all of the teachers for 6 years. I am going to miss HCE. *Devan Rosiak*

My favorite memories of HCE is when the PTO has the Carnivals every year. That was fun because I love donating. I will really miss all of the teachers that I had during the years. I will miss the whole school. I loved the author programs. PTO and everybody else you are awesome! I love HCE and I will miss it. *Priscilla Price*

Two memories of my 6 years here at HCE are: First, in 4<sup>th</sup> grade and going to the Shalom Wildlife Sanctuary because there were different animals there. Second, is going to Camp Whitcomb because we canned, studied stuff in the lake, fished and some other fun stuff. The thing that I'm going to miss the most is all the great teachers here at HCE. *Nick Ziegenhorn*

I've been at HCE all of my school life and I have some things to share with you. Some of my favorite memories are Camp in 5<sup>th</sup> grade and the big field trip in 1<sup>st</sup> grade. Another is the 1<sup>st</sup> day of Kindergarten because I love making new friends. I'm going to miss my old teachers and maybe even some school lunches. And finally Good Bye all lower grades, teachers and HCE! *James Jeffrey*

My favorite memories of HCE are when we went to Camp Whitcomb also I'm going to miss all of the great teachers I had. I'm going to miss all the great people I got to know. *Ally Lepper*

My favorite memory of my time here in the Hales Corners Elementary School is when I was in Kindergarten. I went on a field trip to the Zoo. And my partners parent squirted water at us because we were thirsty and hot so when I went home I was really wet! *Ashley Plotkin*

My favorite memories of HCE are when we went to D.A.R. E. and we wrote a story what we learned in D.A.R.E. I also will miss Mrs. Schermerhorn and other teachers too. I will also miss the books that Mrs. Schermerhorn read to us. *Melissa*

The one thing that I will miss the most is all of the nice, friendly, and passionate students and teachers. The second thing that I'll miss is going to Camp Whitcomb. The third thing that I'll miss is all the field trips. The fourth thing that I'll miss is all the parties. I could go on and on, but I won't. *Ethan Harycki*

To tell you the truth, the thing I'm really going to miss is the time I get when I get all my work done and I just get to read. In HCE I had sometimes in school when I had a couple of problems, but I also know that there were fun memories and those are the ones I really remember. HCE was lots of fun and I think all my friends enjoyed it and I did too. I am definitely going to miss some things but not all things, and I hope everyone will know that and do the same. See ya! *Blake Leslie*

My favorite part about HCE is that all the neat things we did such as Camp Whitcomb and the field trips. I am also going to miss my teachers and the PTO. My favorite memory is my first day in HCE school. *Nathanial*

Since I was only here for 5<sup>th</sup> grade and probably will not be here for middle school, I will mostly miss all of my friends including Mrs. Schermerhorn. I had a lot of fun memories from Hales Corners, and I'm sad to say "Good Bye"! *Marian Dove*

I'm going to miss a lot of things at HCE. But one of the nice things here was all of the field trips that the school planned for us. I'll also miss the nice and kind teachers here. I like that HCE wants us to get the best education by getting Smart Boards and new Math Books. *Eva Zablocki*

The thing that I will miss the most is when we would go on field trips. I will also miss being the person who knows a lot about the school. I liked it when everybody would go to the park. I loved it when we could see our buddies on Fridays. So I conclude I would have rather gone to HCE than Edgerton any day! *Ryan Olson*

I will miss Camp Whitcomb, D.A.R.E. and my friends here. The teachers have been nice to me. I'll miss Hales Corners Elementary. I'll miss the fun things I did here. *Michael*

My favorite memories at HCE were in 1<sup>st</sup> grade when we went to the zoo. I can not remember all the details but what I do remember is that it was really fun. Another grade I like was the 4<sup>th</sup> grade because I had the nicest teacher of all times, and that's my favorite memories of HCE! *Racheael Hein*

The things I will miss at HCE are, field trips that we have very much, 30 minutes of recess everyday, DARE, that was so much fun! The most important thing of all is all of the nice teachers I had. They were all nice. *Morgan Myers*

Personally I'm going to miss all the wonderful teachers. Some I didn't like so much but they're all GREAT! I remember in 1<sup>st</sup> grade when we went on this field trip. We went to all these different places. *Taylor Williams*

## Farewell letters from Mrs. Kucharski's 5th Grade Class of 2008

My favorite memory was when we had roller skating in the Big Gym. When I was in a younger grade we had fun skating. I wish we still could have done it when I was getting older. It taught me to skate and now I am really good at it. It was a fun experience. I hope they will start roller skating again so they can teach the younger kids. *Renee Caron*

The best thing about HCE was, I will never forget all of the friends I made. Every year I made lots of new friends. I made at least 20-30 friends throughout my school years. Thank you so much HCE! *Sean Sison*

I've been going to this school for 7 years and it's a great place! I've really loved it here. But my favorite thing we've done was Camp Whitcomb. Everyone & everything there was awesome. It is a very fun thing that everyone should look forward to. One other thing I hope you get is Mrs. Kucharski. She's the best teacher ever. 5<sup>th</sup> grade is the best! *Jeremiah Krueger*

My favorite part about HCE is that all the PTO people are so nice and they help out with everything. I love all the activities they set up for us. They have such good ideas for fun stuff. I love the end of the year Carnival too! Thank you PTO! *Sara Sison*

I have had countless memories at HCE. My favorite is the Olympics in 2<sup>nd</sup> grade. Our squad won the class competition. When we faced other classes, we competed in trivia, racing scooters, etc. For the trivia, whenever I answered a question I was correct! Our class won a bronze medal. Thank you PTO, for all of the memories. *Matthew Singer*

My best memory that I will never forget is saying the pledge for the first time in kindergarten. I was so nervous but everyone in the office made me feel more comfortable. The Office is the best place known to everybody. In Middle School it will never feel the same way as HCE Elementary School. *Mandy Lor*

I liked when we went to the apple farm in 2<sup>nd</sup> grade. I liked the fresh apples. I also liked the corn maze and the hayride. I liked that it was on a nice day. *Jordan Jones*

In my 5 years at HCE my favorite memory is when we went to camp Whitcomb. One of my favorite things at camp was the night hike because it was fun to use only one of the 5 senses, hearing. Bow and Arrow was also fun. The camp fire was fun because it was fun to sit around and have fun. Mrs. Kucharski was a great teacher and I hope you get her in 5<sup>th</sup> grade. *Daniel Spiering*

The best thing was Camp. Camp was very interesting, fun, and beneficial. Camp was very different. Korean camp does not have lots of trees and is not as huge. The camp was very good for me. Thank you HCE. *Seungseo Oh*

My favorite memory from being in HCE was in 5<sup>th</sup> grade going to Camp Whitcomb. Mostly because I learned so much and had sooooo much fun! My favorite memory about camp was when I caught a sun fish fishing and when I went canoeing because I never went canoeing before. Thank you HCE/PTO!!! *Syed Kibrabumuddin*

One of my favorite things we do every year at HCE is wheelchair basket ball. I think it's really cool that Mr. Wilson comes with some of the team every year. Since I am in 5<sup>th</sup> grade this year, I got to watch some of my classmates play with them. I think it's really fun to see them play. *Claudia Mancl*

My HCE memory is going to camp. It's my memory because I did a lot of fun things there. It's also a good memory because the food is good. *Joshua Strait*

The best thing I remember doing in my years of going to HCE is definitely going to Grant Park. I liked Grand Park the most because we were just walking around the forest and the beach and taking pictures and talking. Another thing I liked was that we just could sit around and look at nature. I also liked the football game at the end. It was the best field trip ever! *Andy Litzenberg*

My favorite part of the year is going to Camp Whitcomb. I miss it so much I wish I could live there. The whole suzy thing was fun. Our cabin group had the chicken dance. We almost had to kiss the moose but they let us off the hook! I love Camp Whitcomb and I hope to see it again. *Vanessa Moua*

My memory of HCE was playing football and reading with buddies. I liked movie night too. I hate to leave Mrs. Kucharski and DARE. I had so much fun here now I have to go to Middle School. I love this school. It was my first year here. *Blake Gidland*

I will always remember all of the authors that came to our school. I hope that you have Paul O. Zelinski come back for the people who just came to our school. He was good at helping us with drawing. I also will never forget when Barbra Joosee came and helped us write our stories. She did really good with helping us. *Emily Andresen*

My first year here was cool. I loved it when we went to camp. It was a lot of money but it was worth it. We did lot's of stuff. My favorite was canoeing. Camp was the best thing at HCE. I hope I can do it again. *Nemania Velickovic*

I will always remember my fourth grade field trip to Grant Park. It was so interesting. I wanted to just sit and listen to the waves crashing ashore all day. Taking the back paths could've lasted all day and I wouldn't have cared. Picking up beautiful stones too left me in awe of nature. It was unforgettable. Grant Park was one of the last trips of fourth grade and the best. I will always remember it. *Jacquie Kitten*

One of my favorite memories is Camp Whitcomb even though it was in fifth grade it was just one of the greatest memories in all of my school years. My favorite part was taking the night walk even though we got lost it was still fun anyway. In the first half of the night walk we got to use life savors and they spark in your mouth so you would see lots of girls with sparks in their mouth! We had to guess a crayon. I guessed purple when it was blue. We didn't get too lost but we did end up on private property so that's why we didn't know where to go. That was just one of the exciting things that had happened at camp. *Lizzy Streim*

The best thing that I will remember about HCE was Camp Whitcomb. At camp I got to do Archery and Canoe. Thank you PTO for helping pay some of the cost of camp. *Bailey Lindberg*

My favorite memory from HCE was when we went to the museum in 3<sup>rd</sup> grade. It was fun looking at things and thinking of what it might be. Everyone there was thinking so hard on what the artifacts could be. I'm glad PTO helped pay for us to go to the museum. *Peter Haas*

Thank you PTO for all of your help. Thank you for paying for field trips for us. Thank you for bringing us the Roller Coaster Lab. I will not forget HCE. *Sunny Patel*

In second grade I remember a lady came here from Discovery World and showed us some cool science stuff. One thing was Liquid Nitrogen. It's so cold it's "indestructible". She put a banana and balloon in it. The balloon deflated and popped. The banana just froze. And the last thing she did was she put one ounce of gasoline into a water jug and lit it with a match and dropped it in. A flame pillar erupted! The show was very fun. Thanks PTO. *Evan Macintosh*

Hot Dog lunch was my favorite. Gravy and mashed potato too. Chocolate milk was good too. They make good lunches. I like food. *Sarah Dull*

The things I will never forget about HCE is that the PTO does a lot for us. For example, they helped pay for the 5<sup>th</sup> grade camp. They also run the Carnival and the Ice Cream Social. I will never forget those things. Thank you. *Vanessa Reinert*

I liked DARE and Officer Rick. I learned drinking is bad for you. We tried on Drinking Goggles. You get dizzy. Do not drive when you drink. *Peter Kim*
