Wednesday, December 19, 2007

The deadline for returning talent show applications is this Friday. Seniors interested in pursuing a career in the construction industry, the Fox Valley Technical College and Fabco Equipment are offering credits that can be applied toward an associate of applied science degree. Stop in guidance for details.

Reminder to all young men, you are required by law to register with Selective Service within 30 days of your 18th birthday. You can register easily on the internet or at the post office. Further details in guidance.

A reminder to seniors - if your parent plans on placing a senior ad in the yearbook, orders must be received by Friday. Any orders after Friday will be returned. Beginning January 2nd backpacks, tote bags and jackets will not be permitted in any of the lunch lines in the cafeteria.

Juniors, are you interested in attending a fun summer program? Badger Boys and Badger Girls might be the opportunity for you. This program is held on the Ripon campus June 14-21 and deals with learning about Americanism and our government. This will look great on a college application - more information in guidance.

Juniors, Whitnall can nominate one junior student to compete for the Executive Women's International scholarship. Further details in guidance.

Attention seniors: The Christmas break is fast approaching. If you need an application or scholarship to go out, it must be turned in by the end of the day Wednesday. After that date, there is no guarantee it will go out before the break.
