

Start the school year with a library card for everyone in the family.

Get started online.

If you are a Milwaukee County resident and do not already have a library card, use the link below to register for a library card. To complete your registration and get a library card, bring two forms of identification to the library. Minors 15 years or younger must be accompanied by a parent or legal guardian to complete the registration process. Once you have your library card you are able to check out items, use the library's computers, and access online databases, hoopla, ebooks and emagazines.
