

Swim America is starting our 2020 season of swim lessons at **Muskego, Whitnall, and Greenfield High Schools**. ****New** Starting with 2020, at the conclusion of each two week block of lessons, any swimmer at Station #6 or higher will be given a free evaluation by a lead Coach from SWAT. If the swimmer is technique efficient, opportunities for the competitive team will be made available (a quality team will avoid reinforcing poor techniques).**

Our swim lessons are geared toward both beginner and more experienced swimmers. Even competitive swimmers routinely use our upper level stations for stroke refinement. Our program is unique to other swim lesson programs in that we are:

★ **“Goal Driven”**

We have a well-defined set of advancement goals for each of the ten stations. This way we are able to breakdown the learn-to-swim progression into phases.

★ **“Confidence Building”**

Swimmers are able to “graduate” to the next level at any point during the session, which creates a sense of accomplishment as they move from station to station. Typically, children move up two to three levels in ONE session!

★ **“Technique Oriented”**

We are very concerned with teaching proper stroke mechanics. Proper technique is often overlooked in beginners much to the detriment of the swimmer. Correcting errors is a much more difficult process later in the developmental progression. Our coaches emphasize correct technique from the first lesson.

★ **“Individualized Instruction”**

Unlike conventional swim lessons, Swim America averages 4-6 swimmers per coach. This gives the swimmer individualized instruction that allows the child to progress at his or her own pace throughout the session.

★ **“Experienced Coaches”**

Our swim lessons are conducted by a highly trained group of elite competitive swimmers who, not only are professional lifeguards, but are also certified by the American Swimming Coaches Association. Their experience and commitment to the sport of swimming gives our swim lessons a distinct advantage over conventional lesson programs.

Our 30-minute lesson includes approximately 26-28 minutes of instruction, followed by 2-4 minutes of supervised free time

LOCATIONS: Muskego High W183 S8750 Racine Ave. Greenfield High 4800 S. 60th St. Whitnall High 5000 S. 116th St Greenfield

Three ways to register: 1. Through the mail, 2. On line, or 3. On site

REGISTRATION:

Mail	On Line at	On-site registrations
Please send registrations to: Swim America P.O. Box 138 Muskego, WI 53150	www.swimswat.org	Muskego High School (Pool Area) Thursday February 13 5:45 to 6:45 pm Whitnall High School Lower Level Thursday March 12 5:45 to 6:45 pm

- **Anyone wishing to participate in the same class as another family please send in all completed forms at the same time.**
- **All registrations are on a first come first serve basis from when they are received!**
- **Email or phone contact will *only* be made if you did not get your 1st time slot choice.**
