The Whitnall Youth Football/Cheerleading Program is *not* controlled by Whitnall School District. It is however run by an independent Board of Directors who makes all decisions relevant to the football and cheerleading program. Whitnall School District has been supportive of this program by helping us distribute information and allowing us to use practice facilities, indoor gyms, and the High School football field. We are indebted to them for their support, but remind parents to direct and questions or concerns to the Whitnall Youth Football Board.
