FIRST ANNUAL GREATER GREENFIELD COMMUNITY CHAMBER EMPLOYMENT FAIR

Calling ALL Greenfield High School and Whitnall High School Students!

On April 4, 2019 the Greater Greenfield Community Chamber will host the First Annual Chamber Employment Fair. Students from Greenfield High School and Whitnall High School seeking summer and/or year-round, after school jobs are highly encouraged to attend. Businesses throughout the Greater Greenfield Community who are hiring will be in attendance with applications and many businesses will be conducting interviews on-site. This is a great opportunity to find part-time or full-time summer employment or a year-round after school position as well as connect with our business community. Any questions please contact Ellen Oates at 855-2031.
