

# HCE PTO SCOOPS

## Headlines on PTO Events

### Here's the Scoop From the Board:

At the virtual PTO Meeting, we discussed different fundraising opportunities that are virtual and COVID friendly. We welcome any thoughts, ideas, or help. We also talked about the CLAS mail day the third grade class does. Right now we can not have it. We were trying to think of something to do that is similar, but does not replace it. When volunteers can be back in school, we want to continue mail day. Hopefully you had a chance to place your Scholastic book order. They are shipping within a couple of weeks of when the order was placed.

As a reminder please don't forget to wash your child(s) mask. Also, please pack extra masks in their backpacks. We need to stay safe and healthy to stay open. Our teachers and staff are doing a great job making sure kids wash their hands and use sanitizer.
